

CLRC Microchip Order Form

For Canadian Fjord Horse Association members

Please submit this form to the CLRC office by email (clrc@clrc.ca), fax (613-731-0704) or mail (see address below).

CFHA bylaws state that a veterinarian needs to implant your microchip for registration. A veterinary signature form will be mailed with the microchip order, to be completed and returned to CLRC with your registration applications.

If filling this form electronically, please select your province (or NA if outside Canada) so that the appropriate tax will be calculated. **Please note:** Calculations in this form only work in Adobe Acrobat Reader. If needed, you can download the free Reader at <https://get.adobe.com/reader/>
